

Dance Heads® is the Original Properly Licensed and Trade Marked Product of its kind!

The Hottest New Coin-Operated Interactive Video Booth!

Booth Features

Song List Insert

Allows operators to easily update the latest song list available for the recording booth and display the vend price.

Attract Mode

A Attract monitor is standard on the side of the recording booth to broadcast promotions, instructions, & just-recorded videos. Additional monitors can be installed on top of the booth as an option to enhance the attract mode.

Payment System (Coin-Operated Booths)

Various payment systems are available for operators to choose from: local currency coin acceptor, note acceptor, or credit card acceptor.

Multiple Languages

Operators can select one or more languages to be operated by the recording booth. A great feature for international tourist locations.

Intuitive Software Flow

DH Recordings™ Software is intuitively designed for every easy software and content updates. A comprehensive diagnosis program is embedded for easy maintenance.

Unique Chroma-Key™ Technology

Sophisticated green screen technology is applied to provide real time video recording and encoding of Chroma-Key™ effects to ensure more vends per hour for the operators.
